

## RV Pump Conversion Chart:

If you cannot locate your specific model number below, please reference the **RV PUMP** section of our website to locate a pump that meets the criteria closest to your current pump model. You can also review the specific pump product data sheet for detailed product information. This will insure you identify a pump that is compatible to your existing model.

**OEM** pump models listed below are for **RV manufacturers only**. If you have a pump with an OEM part number, please replace it with the aftermarket part number highlighted in blue.

If you need further assistance, please email us at: [customer\\_service@SHURFLO.com](mailto:customer_service@SHURFLO.com)
